5 ACRE RURAL RETREAT WITH THE LOT!

Owner's circumstances have changed and they have instructed that this property is to be sold at or before auction!

This award winning home on 5 acres is now offered to the market for the first time. The lowset 4 bedroom brick home has a large entertainers kitchen & generous living and family areas. The pool table will stay for the new owners! Other features include high raked ceilings, double sided wood heater, A/C, spa bath in ensuite & large entertainment area adjacent to the heated inground pool.

Sheds galore with two good sized colorbond sheds providing parking, workshop & storage. Domestic water is provided for from a series of rain water tanks, as well as town water connection. There are 3 individual paddocks with a set of stock yards, which is ideal for horses or a few steers. The sealed driveway is the icing on the cake for this ready to live in home.
